

I have made a personal decision to enroll my children in the Sigsbee Charter School (SCS), and I recognize that SCS is a public charter school of choice. In consideration of that, I agree to honor the Parent Contract of Commitment. By doing so, I acknowledge that I am an integral part of my children’s whole life education, along with the faculty and staff at SCS.

As a parent/legal guardian of _____ I agree to the following:

- I will attend all scheduled parent conferences each year.
- I will attend at least 2 of 3 All-School Meetings each year.
- I will support my children’s learning by ensuring we are fulfilling all of our responsibilities, including completing homework assignments.
- I will make sure we are punctual at arrival and dismissal.
- I will make sure that I do not have any outstanding financial obligations to the school.
- I will give 15 hours of volunteer service per family per school year.
- I will communicate with my child’s teacher and respond to staff and faculty in a timely fashion.
- I will abide by the guidelines of the SCS Code of Conduct.

Code of Conduct

It is our primary objective at SCS, to offer a high quality, exciting program in a community-oriented, nurturing setting that treats everyone with dignity. As such, the administration, staff, and families agree to the following:

At our school, all stakeholders:

- Listen to one another
- Avoid interrupting classes during instructional time
- Are proactive and respectful when giving input
- Focus on positive action and conflict resolution rather than on accusation or finger-pointing
- Show appreciation for one another by treating each other with courtesy

As a result, our children learn that:

- Mutual respect leads to positive action
- Guidelines created collaboratively in the classroom are transferrable to real world situations
- Everyone is working toward bringing out their personal best.

I/We _____, as parent(s)/guardian(s) of _____, understand and agree to the above Contract of Commitment of the Sigsbee Charter School. I understand that failure to comply with the Contract of Commitment may lead to my child’s dismissal from SCS.
